**THERE REALLY IS A REASON**

When we ask you to fill out this statement of information, we don't want you to think we are unnecessarily interested in your personal affairs. We have been asked to insure a title to real property in which you are interested or wish to sell. By providing us with the information called for, it will help us to do our job quickly and efficiently.

In searching the title to your property, we will inevitably encounter judgments, bankruptcies, divorce and income tax liens against persons with names similar to yours. Such matters cloud the title to your property unless eliminated by information showing you are not the person involved in these difficulties. For this reason, we need to know something about you, and because of property laws, something about your spouse, if you are married, so that we may promptly ignore all matters not directly affecting you or the property being searched.

By filling out this form in full, you are helping us to give you the kind of service you deserve.
